

As a full-time instructor at Conestoga College, I have had the pleasure of observing and guiding Harshul's growth over the past two years.

Harshul is an exceptional student with a strong academic record, possesses critical thinking skills, and has a great desire for continuous learning. Harshul's academic achievements, combined with their service internally within the college exhibits a level of dedication, perseverance, and commitment that is truly remarkable.

One of Harshul's greatest strengths is the ability to balance academic rigor with positivity and enthusiasm. They consistently approach challenges with an encouraging attitude, a willingness to go above expectations and a determination to succeed. Their exceptional communication skills, both written and verbal, enable them to effectively convey complex ideas and collaborate with peers.

I am confident that Harshul retains the intellectual curiosity, creativity, and resilience necessary to excel in any environment and will be a great asset to any future employer. I strongly endorse an opportunity to review his application and without any question you will acquire a skillset and an individual with a work ethic that is unmatched.
